

We put Groningers first by

1. More participation for and with residents, entrepreneurs, associations and clubs in all neighborhoods and villages
2. Reduce local taxes and spend less on prestigious projects
3. Ensure sufficient housing for everyone in livable, green and well-maintained neighborhoods and villages
4. Keep neighborhoods and villages accessible to everyone, also during work and large construction projects
5. An efficient fight against poverty, everyone to participate, no one is excluded
6. Help victims of gas extraction through faster strengthening of homes and compensation
7. Listen to youngsters; students and working young people are the future of our municipality
8. Make sport possible for everyone everywhere; accessible, affordable and neighborhood-oriented
9. To ensure a sustainable and green municipality; with realistic goals that won't be at the expense of residents' wallets
10. An affordable and accessible offering of art and culture with room for talent, without prestigious expensive projects
11. To provide local entrepreneurs room for entrepreneurship; the provide local employment and keep the economy running in neighborhoods and villages
12. To provide affordable, accessible, non-bureaucratic care and wellbeing with extra attention for the elderly.
